Building bridges. Removing barriers. Changing lives.

Building Resources.
Inspiring Direction.
Growing Empowerment.

WHO CAN USE BRIDGE?

BRIDGE is for community members who need a little help finding the right resource or figuring out their next step.

Common needs we can help with

Food or basic needs

Transportation barriers

Healthcare access

Medication affordability

Applications or paperwork

Local referrals

Family support

Follow-up and next steps

Not sure where to start?

Start with us! Need help finding the right resource? We are here to help!

*Small steps today.
Stronger tomorrows.*

WHAT IS BRIDGE?

BRIDGE is the Grayson County Health Department's Community Health Worker program.

Our Community Health Workers help individuals and families navigate health and community resources, overcome barriers, and take practical steps toward their goals.

B

Building

strong foundations through trust

R

Resources

connections to services and support

I

Inspiring

hope, confidence and possibility

D

Direction
